Short explanation of rule/amendment/repeal and reason(s) for proposing rule/amendment/repeal: The standard's revisions streamlined the new program application process to include reducing the stages of development from five to four. The revisions also include new follow-up (revisit) accreditation review procedures. Finally the document eliminated the redundancy of a few criteria, reduced the standards from seven to six, and improved wording consistent with national terminology. One minor edit was made on page 6, the terms "and/or DNV Accreditation" were added to Item #15 at the bottom of page 6.
